

HIGHER EDUCATION LAUNCH PAD

THE POST-SECONDARY RESULTS OF THE DENVER SCHOOL OF SCIENCE & TECHNOLOGY MODEL

Authors: CSI Education Fellow Jason Gaulden, Chris Brown, Cole Anderson

Contributing Author: Van Schoales, Keystone Policy Center

1 LOW INCOME STUDENTS

20% of DSST lower income students earn postsecondary credentials, compared to just 8% of low income students in DPS.

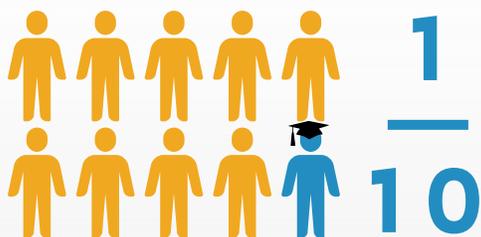

2 POST-SECONDARY ATTAINMENT

DSST Montview High School's postsecondary credential attainment was **three times the district average**.

3 DSST GRADUATION RATE

Students attaining a postsecondary credential in Denver **graduated** from a **DSST School**.

4 DSST ECONOMIC IMPACT

1.5 Billion
in Net Lifetime Earnings

If all Denver high schools achieved DSST's postsecondary attainment vote.

HIGHER EDUCATION LAUNCH PAD
